Resources

The following is a list of websites, magazines and books to further your knowledge.

Web Resources

There are many wonderful websites that I like to share with people so the following is a compilation of websites that I recommend to further your knowledge and improve your health.

<http://www.greenmedinfo.com/> loads of health articles, science and documentation

<http://healthimpactnews.com/> health politics and stories

<http://www.vaccineimpact.com/> vaccine politics and stories

<http://www.vaclib.org/> Vaccination Liberation's website – #1 site for exemptions

<http://www.shotsoftruth.com/> exposing the fallacy of the germ theory of disease – specifically the lack of scientific proof for the existence of viruses

<http://anticorruptionsociety.com/> discover the documentation behind our current enslavement

<http://parentsaganinstmandatoryvaccines.net/> greater depth in understanding vaccine politics

<http://www.pacinlaw.us/> People's Awareness Coalition – important documentation and solution

<https://thetruthaboutcancer.com/> great resource for those diagnosed with cancer

<http://www.wi-cancer.info/home.aspx> myriad of health problems caused by wireless technology

<https://www.emfanalysis.com/> more information on wireless tech by a survivor

<http://www.vaccinesrevealed.com/> live streaming January 10-18, 2016

<http://www.aboutthesky.com/> great blog and podcasts!

<http://www.activistpost.com/> news website

<http://beforeitsnews.com/> news website

Magazines

Pathways to Family Wellness
<http://pathwaystofamilywellness.org/>

Wise Traditions <http://www.westonaprice.org/>

Health Freedom News – The National Health Federation
<https://www.thenhf.com/>
